

SENIOR CURRENT RECORDS

Whilst every effort is made to ensure that all records are correct, we rely heavily on Athletes to inform the Club if they have broken a record. Records may be broken at Club level, at major LA's Championship event and at any verifiable NSW, Australian or International meet, consideration will be given to records achieved at major school events such as CCC, CHS and CIS. If a record has been missed please notify the club.

Records for the U14 and U16 Age Groups are only awarded for events, which have the same senior competition specifications, this means that some LA's State results may not be used as records eg 200m hurdles and some throw events. Records for these two Age Groups cannot be achieved at club level

UNDER 14 MALE
